

Senate: SB0649 – it introduces “good time” to the Michigan Department of Corrections, where incarcerated men and women would earn time off their sentences for good behavior. It’s a well-written bill and pairs well with the productivity credit bills from CSSJ. Michigan Justice Advocacy (MJA) is the organization behind this bill. More information on it is available here: <https://mijustice.org/2021/10/26/good-time-makes-good-legislation-introduced-by-senator-irwin/>
